ISSF President Letter

On behalf of the International Shooting Sport Federation – ISSF – we thank the athletes for their excellent performances in the Shooting events of the 3rd Youth Olympic Games in Buenos Aires, ARG 2018.

We express our thanks and appreciation to the organizers of these Youth Olympic Games for their great efforts and the excellent organization of these unforgettable 6 days of outstanding Shooting sport. We were very pleased with the great atmosphere in the Finals and the spectators were amazing. A very special thank is going to all volunteers who did an outstanding job and who were very helpful all the time.

The temporary shooting venue was well prepared and provided excellently conditions for all athletes.

It was a great pleasure and a unique experience for our 80 athletes from 58 countries all over the world and all the officials, referees, judges and volunteers to contribute to these very successful Shooting events of the 3rd Youth Olympic Games in Buenos Aires, ARG 2018.

The people of the host country of Argentina are well known as sport enthusiasts and we once again thank them for their great hospitality and making these Youth Olympic Games a Festival of youth and joy.

We express our sincere congratulations not only to the winners but also to each participant who showed the world that sport can truly be considered as an expression of peace, friendship and brotherhood in fair play. It showed especially that young athletes work hard to get to their goal to compete in the Youth Olympic Games and to make friends during these 2 weeks of sport and culture program.

We are wishing all athletes, officials, referees, judges and spectators safe return home and we are sure that all will take home good memories of the many nice impressions of young athletes to compete in friendship and the extraordinary hospitality of the organizers, our friends and people of Argentina.

Thank you Argentina, Thank you Buenos Aires!

Olegario Vázquez Raña
ISSF President

Franz Schreiber
ISSF Secretary General

Results Certification Letter

We the undersigned certify that the shooting events of the Buenos Aires 2018 Youth Olympic Games were conducted according to the Rules and Regulations of the ISSF and that the Doping Control Rules and Regulations of the IOC and ISSF were followed.

Competition Format and Rules

Formato y reglas de la competencia / Format et règles de compétition

As of SAT 17 SEP 2018

Youth Olympic Competition Format

The Shooting competition at the Summer Youth Olympic Games Buenos Aires 2018 consists of the following events:

- 10m Air Rifle Men
- 10m Air Pistol Men
- 10m Air Rifle Women
- 10m Air Pistol Women
- 10m Air Rifle Mixed International Team
- 10m Air Pistol Mixed International Team

Individual events

Each event consists of a qualification phase from which the top eight athletes qualify to the Final.

In the qualification, men and women shoot 60 shots. The shots are fired in the standing position. For air rifle qualification, scoring is done in tenth ring (decimal) scoring. The first eight athletes proceed to the Final.

The Final are composed of two stages: the Preliminary stage consists of two 5-shot series. The Elimination stage starts after those two series, with one athlete being eliminated after every two shots until the gold and silver medals are decided.

In the Final, athletes compete by firing on command. Final scoring starts from zero. Scoring in the Final is done in tenth ring (decimal) scoring. Cumulative total scores in the Final determine final rankings, with ties broken by shoot-off scores.

Team events

Teams are composed of one male and one female athlete, based on their final rankings in the individual events. The first place men's athlete will be paired with the 20th place women's athlete, and so on. The pairing will continue until the 20th place men's athlete is paired with the first place women's athlete to form a total of 20 teams. The team pairings will be adjusted as necessary to ensure that no two athletes from the same NOC are on the same team.

Team names will be identified as athlete family name and NOC code of both team members. Ex. "HEYNEN-SUI / ZHELYAZKOV-BUL".

The team events will be scheduled to take place over two days after the individual rifle and pistol events are completed. The team Qualification and Round of 16 will take place on the first day. The Quarterfinals, Semifinals and Medal Matches will take place on the second day.

Differences between the ISSF Junior World Championships and the Summer Youth Olympic Games

There are no Mixed International Team events on the ISSF Junior World Championships.

Changes since the Summer Youth Olympic Games Nanjing 2014

For the 10m Air Rifle Women and 10m Air Pistol Women events the number of Qualification shots has been changed from 40 shots to 60 shots

For 10m Rifle and Pistol individual events, the two 3-shot series at the beginning of each Final have been increased to 5-shot series to be fired in 250 seconds. The Final will now consist of 24 shots.

If an athlete is disqualified during any phase of an event (Qualification or Final), the athlete's scores for all phases of the event shall be deleted.

Sport Rules and Procedures

Individual events

In the qualification, shots are fired at a 10-ring target. Men and women shoot 60 shots in 75 minutes. For Air Rifle Qualification, scoring is done in tenth ring (decimal) scoring. Qualification scores entitle an athlete to a place in the Final, but are not carried forward.

In the Final, eight athletes compete by firing on command. Final scoring starts from zero. Scoring in the Final is done in tenth ring (decimal) scoring. Cumulative total scores in the Final determine final rankings, with ties broken by shoot-off scores.

Final consists of two 5-shot series to be fired in 250 seconds. This is followed by 14 single match shots each fired on command in a time of 50 seconds. Eliminations of the lowest scoring finalists begin after the 12 shot and continue after every two shots until the gold and silver medals are decided. There are a total of 24 Final shots.

Ranking of eliminated athletes during the Final should be as follows:

1. After 12 shots - 8th place
2. After 14 shots - 7th place
3. After 16 shots - 6th place
4. After 18 shots - 5th place
5. After 20 shots - 4th place
6. After 22 shots - 3rd place (bronze medal winner is decided)
7. After 24 shots - 2nd and 1st places (silver and gold medal winners are decided)

Deductions for violations occurring before the first match shot will be applied to the score of the first match shot. Deductions for other penalties will be applied to the score of the shot where the violation occurred.

Team events

Scoring in the Qualification round is carried out in accordance with the 2017 ISSF Rule Book, Second Print, 01/2018. The 80-shot score totals of the two team members determines their qualification round ranking. Ties are broken according to ISSF rules.

The Round of 16 consists of eight matches between the 16 teams that advanced from the Qualification round. Each match is decided according to a point system.

In the Round of 16 eight pairs of teams will compete. The highest scoring team in the qualification will shoot against the lowest scoring team, the second highest scoring team will shoot against the next lowest scoring team, etc. In the team pairs competitions, the two members of each team will each fire one shot. The scores of the two team members will be added and compared with the two shot score total of the other team. The team with the highest total will score one point. The paired teams will continue to fire one shot contests until one team scores ten points during that round of competition. The eight winning teams in each team event will advance to the Quarterfinals on the second day. Team pairs will use the same ten-point format in each successive round of competition. The four winning teams in each Quarterfinals event will compete in the Semifinals to determine the teams that compete for the gold and silver medals and the teams that compete for the bronze medal.

Competition format for the Round of 16, Quarterfinals, Semifinals, and medal round will be on a "duel basis": The two teams compete against each other, shot by shot on command. All scores are in decimals.

One point in each match is awarded to the team with the highest total for their two shots. If the two teams are tied, no point is awarded.

The first team which reaches 10 points is declared the winner.

Tie Break Rules

The count back rules apply to the qualification, shoot-offs will be organised if ties occur during the Final.

Penalties / Disqualification Rules

Score protests: An athlete may lodge a score protest before the next shot in qualification about the value of a shot. No score protests are possible during the Final. If the protest is denied, a two point penalty is incurred automatically. Such protests are resolved by the ISSF RTS Jury.

A deduction or penalty must be applied to the score of the match shot/series where the violation occurred. No score below zero will be recorded (e.g. 3-2 point deduction = 1, 0-2 point deduction = 0).

The most common reasons for penalties are -2 points for minor infringements of the rules, disqualification, the failure of rifle clothing to pass the follow-up controls after the competition, or failure of the pistol trigger weight test (too light).

Protests / Appeals

In qualification, events have specific protest/appeal times. Official results are not published until protests and/or appeals, if any, are resolved. At the Youth Olympic Games, preliminary results "subject to protest" may be distributed. Any protest (except score shot protests which are not allowed) made in the Final will be resolved by the Final Protest Jury.
